Lyon

## Welcome to the world of Amalfi.

The line between our living rooms and our gardens is disappearing. Styles traditionally associated with indoor environments are now finding their way onto our patios and atriums. Our AMALFI COLLECTION takes the dream of indoor-outdoor living rooms even further with new material, innovations, and the highest quality levels. The Lyon is powder-coated, large box-aluminium, with quick-dry foam and Sunbrella fabrics.

## Enjoy the art of outdoor lounge furniture

Creativity is what drives the Amalfi Collection towards the idea of reinventing garden furniture as we know it.

The results of that process are unique products and outdoor furniture that seem to be a modern form of art.

The Lyon is one of our outdoor pieces of art.

It is as beautiful from behind as it is in front, and can be used in multiple configurations.

## Amalfi lounge - where exterior...meets interior.

We believe that outdoor spaces should reflect your home, and your lifestyle. To make it possible we reinvented the garden furniture, and bring you this stunning Portofino corner setting. The Sunbrella fabric is woven exclusively with solution dyed acrylic fibers, to guarantee UV colour-fastness, and finished with a protective anti-stain coating. Sunbrella fabric is quality unparalleled. It is made to withstand everyday life, is unbelievably durable, yet woven to look and feel beautiful.

## Dine in style.

With Amalfi outdoor furniture, an everyday terrace will transform into a place where you can escape daily life and enjoy the art of dining in pure comfort and luxury. The beautiful Monterosso dining setting combines the durability of high quality aluminium, and a ceramic table top, with the comfort and toughness of Sunbrella upholstery. This stunning, contemporary setting is available in black or white to complement your style and inspiration.

A modern outdoor lounge set featuring a dark grey sectional sofa with two striped pillows, a matching armchair, and a square coffee table. The furniture is situated on a wooden deck next to a swimming pool. In the background, a contemporary house with large glass windows and a balcony is visible. The scene is set during the day with a clear sky and some greenery.

## Timeless quality to complement your vision.

Amalfi Lounge's outdoor furniture is upholstered with Sunbrella fabric that is suitable for outdoor usage throughout the whole year. This furniture is not designed to be 100% waterproof, but it let's water through as quickly as possible. By using breathable materials, we ensure a constant air circulation inside our furniture. This makes it possible that, after heavy rain, the furniture can dry completely after 30 minutes. The clean lines and the gorgeous aluminium parallel-slats of the Breeze collection are available in black or white settings

## Occasional furniture for all occasions.

Our every day lifestyle is changing and our garden becomes a beautiful extension of our home. Today people are custom designing their outdoor visions and are enjoying creating their dreams. With beautiful designs and high quality durable materials, Amalfi outdoor living furniture helps to fulfil dreams. We believe your surroundings should express your personality, generating a balance between you and your environment.
